### 6 Download The MOES APP

1. Download MOES App on App store or scan the QR code

MOES App is upgraded as much more compatibility than Tuya Smart/Smart Life App, functional well for scene controlled by Siri, widget and scene recommendations as the fully new customized service.  
(Note: Tuya Smart/Smart Life App still works, but MOES App is highly recommended)

2. Registration or Log in.  
- Download "MOES" Application.  
- Enter the Register/Login interface, tap "Register" to create an account by entering your phone number to get verification code and "Set password". Choose "Log in" if you already have a MOES account.

**Note:** If you have connected 5G WiFi network, please disconnect 5G WiFi network firstly and connect 2.4G WiFi network.

### 7 Steps for connecting the APP to the device

Ensure the device is within the effective signal coverage of your smart ZigBee gateway for successful connection into the ZigBee gateway in Smart Life APP.

**Method One:**  
Scan the QR code to configure the network guide. Make sure your Smart Life/Tuya Smart APP has successfully connected to a ZigBee gateway.

### 7.1 Steps for connecting the APP to the device

**Method Two:**  
1. Make sure your MOES APP has successfully connected to a ZigBee gateway.

### 7.2 Steps for connecting the APP to the device

3. Enter the gateway. Please follow the picture below to finish as "Add subdevice" - LED already blink, and the connecting will take about 10-120 seconds to complete depending on your network condition.

### 7.3 Steps for connecting the APP to the device

4. Add the device successfully, you can edit the name of the device to enter the device page by click "Done".

5. Click "Done" to enter the device page to enjoy your smart life with home automation.

### SERVICE

Thank you for your trust and support to our products, we will provide you with a two-year worry-free after-sales service (freight is not included), please do not alter this warranty service card, to safeguard your legitimate rights and interests. If you need service or have any questions, please consult the distributor or contact us.

Product quality problems occur within 24 months from the date of receipt, please prepare the product and the packaging, applying for after-sales maintenance in the site or store where you purchase; if the product is damaged due to personal reasons, a certain amount of maintenance fee shall be charged for repair.

We have the right to refuse to provide warranty service if:

- Products with damaged appearance, missing LOGO or beyond the service term
- Products that are disassembled, injured, privately repaired, modified or have missing parts
- The circuit is burned or the data cable or power interface is damaged
- Products damaged by foreign matter intrusion (including but not limited to various forms of fluid, sand, dust, soot, etc.)

### RECYCLING INFORMATION

All products marked with the symbol for separate collection of waste electrical and electronic equipment (WEEE Directive 2012/19 / EU) must be disposed of separately from unsorted municipal waste. To protect your health and the environment, this equipment must be disposed of at designated collection points for electrical and electronic equipment designated by the government or local authorities. Correct disposal and recycling will help prevent potential negative consequences for the environment and human health. To find out where these collection points are and how they work, contact the installer or your local authority.

### WARRANTY CARD
