## Matter Series Thermostat

Tuya

O alexa ММТ8211-ММТ8221-ММТ8231 1

### **BEFORE WIRING AND INSTALL**

. Read these instructions carefully. Failure to follow them could damage the product or cause a hazardous condition. 2. Check the rathings given in the instructions and on the product to make sure the product is suitable for your application. 3. Installer must be a trained, experienced service technician.

4. After installation is complete, check out product operation as provided in

these instructions. A

### WIRING

GA is for water heating; GB is for electric heating; GC is for water/gas boiler; If your boiler has more than three wires, please feel free to contact us and we will answer the correct installation method for you.NTC and Modbus is optional.

### SIMPLE EXCEPTION HANDLING

No.	Phenomenons	Handling
1	Power is on but without display.	*Check if the terminals between LCD panel and Power Unit Box is loosen.
2	Without output but display works.	* Usea new LC panel or new Power Unit Box toreplace the old one.
3	Room Temp. Is a lttle different from the actual.	* Do temperature calibration in item 1 of high senior options

### Preparation for use

1. Download MOES App on App store or scan the QR code

#### 15

### WARRANTY INSTRUCTIONS

Dear Sir or Madam, thank you for purchasing the product. We hope you'll enjoy using it.

The warranty for the products in the warranty card is hereby granted as follows.

As a condition of using the warranty, you must comply with the following terms and procedures: 1. Products are covered by a 24-month warranty, effective from the date of purchase of the covered product by a retail customer.

2. In order to exercise warranty rights, the purchaser must present: a) Warranty card, b) Proof of purchase (VAT invoice, financial receipt or other document confirming the actual date of purchase), unless the purchase

date of the product comes from the warranty card. 3. If product quality problems occur within 24 months from the date of receipt, please prepare the product and packaging and go to the place or store where you purchased it to apply for after-sales maintenance. If the product is damaged due to personal reasons, a certain maintenance fee will be charged.

4. We recommend that you properly protect the goods when delivering them to the guarantor - for this purpose, we recommend that you use the original packaging with padding to ensure safe transportation. If you choose to use replacement packaging, we recommend that you ensure that the product is adequately protected from damage during shipping We recommend that you place an appropriate sticker on your packaging indicating the product's susceptibility to impact, such as "Warning Glass' 5. Reported defects covered by the warranty will be considered

immediately and no later than 14 days from the date of delivery of the 22

### Vorbereitung für den Einsatz

Die MOES-App wurde um eine viel höhere Kompatibilität als die Tuya Smart/Smart Life-App erweitert und eignet sich gut für die Szenensteuerung durch Siri, Widgets und Szenenempfehlungen sowie den völlig neuen benutzerdefinierten Dienst. is: Die Tuya Smart/Smart Life-App funktioniert weiterhin, die MOES-App wird jedoch dringend empfohlen.

### 2. Registrieren oder anmelden

ist.

Rufen Sie die Schnittstelle "Registrieren/Anmelden" auf; tippen Sie auf "Registrieren", um ein Konto zu erstellen, indem Sie Ihre Telefonnummer eingeben, um den Bestätigungscode zu erhalten, und wählen Sie "Anmelden", wenn Sie bereits ein MOES-Konto haben.

Schritte zum Verbinden der APP mit dem Gerät Hinweis: Das Gerät unterstützt nur den 2.4–GHz–WLAN–Tvp. Bitte schalten

Sie Bluetooth vor dem Hinzufügen ein. 1. Stellen Sie sicher, dass Ihr Telefon mit WLAN und Bluetooth verbunden

MOES APP is upgraded as much more compatibility than Tuya Smart/Smart Life APP, functional well for scene controlled by Siri, widget and scene recommendations as the fully new customized service. (Note:Tuya Smart/Smart Life APP still works,but MOES APP is highly recommended)

### 2. Registration or Log in

Enter the Register/Login interface; tap "Register" to create an account by entering your phone number to get verification code and "Set password". Choose "Log in"if you already have a MOES account.

### Steps for connecting the APP to the device

Note: The device only supports 2.4GHz WiFi type, please turn on Bluetooth before adding.

1. Make sure your phone is connected to Wi-Fi and Bluetooth.

2. In the off state, long press the "  $\checkmark$  " until the device WiFi indicator starts flashing and the device enters the network configuration state.

16

3. Select "Add Device" and scan the QR code on the device.

goods to the Guarantor. δ. After checking and determining the legality of the warranty claim, the Guarantor's services will repair the product within a reasonable time, not exceeding 30 days from the date of delivery of the goods to the Guarantor. However, if hard-to-find spare parts are required, this deadline may extend the time it takes to deliver the part from the manufacturer's factory. 7. The warranty does not include the performance of maintenance and imilar operations specified in the user manual, and users are obliged to do it themselves.

8. If defects occur due to natural wear and tear during use, the warranty does not cover it. 9. The warranty does not cover a) Mechanical damage caused by the user's fault and product defects

caused by such damage. b) Damage caused by improper use of the product.

10. The rights under the guarantee will expire in the following circumstance

a) Remove the warranty seal from the product.

b) Remove the serial number from the product. c) Take action to eliminate physical defects in the product outside of

authorized service. d) Use non-original parts and consumables.

### Richten Sie Ihr Gerät über Matter ein

Sie können den QR-Code scannen, um die Anleitung zu erhalten. Diese Anleitung bietet eine kurze Einführung n das Wi-Fi-Gerät. Nehmen Sie zum Beispiel Alexa, Google und Apple und im Folgenden erfahren Sie, wie Sie es Amazon Alexa

über Matter einrichten. So setzen Sie den Matter-Code zurück bzw. koppeln ihn erneut

Drücken Sie im ausgeschalteten Zustand lange auf " 🗸 ", bis die WLAN-Anzeige des Geräts zu blinken beginnt und das Gerät in den Netzwerkkonfigurationsstatus wechselt.

30

#### CE-Konformitätserklärung

Hiermit erklärt Wenzhou NOVA New Energy CO., LTD, dass der Funkgerätetyp WHT-S02 den Bichtlinien 2014/35/EU. 2014/30/EU. 2011/65/EU, 2014/53/EU vollständig entspricht Der Text der EU–Konformitätserklärung ist unter folgender Internetadresse verfügbar https://www.moestech.com/blogs/news/wht-s02

### Gewährleistungen

Sehr geehrte Damen und Herren, vielen Dank für Ihren Kauf. Wir hoffen, Sie genießen es. Die Garantie für die Produkte in der Garantiekarte wird hiermit wie folgt

Als Bedingung für die Inanspruchnahme der Garantie müssen Sie die folgenden Bedingungen und Verfahren einhalten: 1. Produkte sind von einer 24-monatigen Garantie abgedeckt, die ab dem Datum des Kaufs des abgedeckten Produkts durch einen

Einzelhandelskunden gültig ist. 2. Um Garantierechte auszuüben, muss der Käufer Folgendes vorlegen: a) Garantiekarte, b) Kaufnachweis (Mehrwertsteuerrechnung, Finanzbeleg oder anderes Dokument, das das tatsächliche Kaufdatum bestätigt), es sei denn, das Kaufdatum des Produkts stammt von der Garantiekarte. 3. Wenn Produktqualitätsprobleme innerhalb von 24 Monaten nach Erhalt auftreten, bereiten Sie das Produkt und die Verpackung vor und gehen Sie zum Ort oder Geschäft, in dem Sie es gekauft haben, um eine After–Sales–Wartung zu beantragen. Wenn das Produkt aus persönlichen Gründen beschädigt wird, wird eine bestimmte Wartungsgebühr berechnet

 A. Die Garantie erstreckt sich nicht auf:
 a) Mechanische Schäden durch Verschulden des Benutzers und Produktmängel durch solche Schäden. b) Schäden, die durch unsachgemäße Verwendung des Produkts verursacht 31

### TECHNISCHE DATEN

Stromversorgung: 95 ~ 240 VAC, 50/60 Hz oder
24 V DC/AC, 50/60 Hz
Die tatsächliche Spannung entnehmen Sie bitte den auf der Rückseite d
Thermostats aufgedruckten Laserinformationen.
Modell: WHT-S02
Strombelastung: 5 A (Wassererwärmung, Wasser–/Gaskessel),
16 A (Elektroheizung)
Sensor: NTC3950, 10 K
Genauigkeit: ±1 °C
Temperatursollbereich: 5–35 °C
Raumtemperaturbereich: 5–70 °C
Temperaturanzeigebereich: 5–70 °C
Umgebungstemperatur: 0-45 °C
Umgebungsfeuchtigkeit: 5–95 % relative Luftfeuchtigkeit (nicht
kondensierend)
Lagertemperatur: -5-45 °C
Stromverbrauch: <1. 5 W
Zeitfehler: < 1 %
Gehäusematerial: PC + ABS (feuerfest)
nstallationsbox: 86 x 86 mm quadratisch oder europäische 60 mm rund
Box
Kabelanschlüsse: Kabel 2 x 1,5 mm²oder 1 x 2,5 mm²
Schutzklasse: IP20
Max Sendeleistung: +16 dBm

### INSTALLATION

geeignet.

Ihr Thermostat ist für die Installation in einer standardmäßigen 86-mm-Unterputzdose oder einer europäischen 60-mm-Unterputzdose 2. Befestigen Sie die Montageplatte mit

1. Schließen Sie das Netzkabel sorgfältig an den Netzanschlusskasten

4. Installation abgeschlossen

einem Schraubendreher über zwei

Schrauben an der Kassette.

### Preparación para el uso

1. Descargue la aplicación MOES en la App Store o escanee el código QR

La aplicación MOES se ha actualizado para ofrecer una compatibilidad mucho mayor que la aplicación Tuya Smart/Smart Life, y funciona bien para controlar las escenas con Siri, widgets y recomendaciones de (Nota: la aplicación Tuya Smart/Smart Life aún funciona, pero se recomienda encarecidamente la aplicación MOES)

#### 2. Registrarse o Iniciar sesión

Ingresa a la interfaz de Registro/Inicio de sesión; toca "Registrarse" para crear una cuenta ingresando tu número de teléfono para obtener el código de verificación y "Establecer contraseña". Elige "Iniciar sesión" si ya tienes una cuenta MOES.

### Pasos para conectar la APP al dispositivo

Nota: El dispositivo solo es compatible con el tipo de WiFi de 2,4 GHz. Active el Bluetooth antes de agregarlo. 1. Asegúrese de que su teléfono esté conectado a Wi-Fi y Bluetooth.

3. Cuelgue el panel de control en la

#### Déclaration de conformité CE

Par la présente, Wenzhou NOVA New Energy CO., LTD déclare que l'équipement radio de type WHT-S02 est conforme aux directives 2014/ 35/UE, 2014/30/UE, 2011/65/UE, 2014/53/UE. Le texte intégral de la déclaration de conformité UE est disponible à l'adre https://www.moestech.com/blogs/news/wht-s02

### Description de la garantie

Cher Monsieur ou Madame, merci d'avoir acheté ce produit. Nous espérons que vous apprécierez de l'utiliser. La garantie ci - dessous est accordée pour les produits figurant sur la carte de garantie.

Comme condition d'utilisation de la garantie, vous devez respecter les modalités et procédures suivantes: 1. Les produits bénéficient d'une garantie de 24 mois à compter de la date

d'achat du produit couvert par le client au détail. 2. Pour exercer le droit à la garantie, l'acheteur doit présenter: a) une carte de garantie, b) une preuve d'achat (facture TVA, reçu financier ou autre document confirmant la date d'achat effective), sauf si la date d'achat du produit provient de la carte de garantie.

3. S'il y a un problème de qualité du produit dans les 24 mois suivant la date de réception du produit, veuillez préparer le produit et l'emballage et vous rendre à l'endroit ou au magasin où vous l'avez acheté pour demander une réparation après – vente. Si le produit est endommagé pour des raisons personnelles, certains frais de réparation seront facturés. 4. La garantie ne couvre pas:

a) les dommages mécaniques causés par la faute de l'utilisateur et les défauts du produit qui en résultent. b) les dommages causés par une mauvaise utilisation du produit.
